Dinner & Auction.....THANKS!!

We would like to thank **Raeleen Horn** and **Kyle Cauthorn** and their **7th Period Symphonic Band** class for helping to write thank you notes to the businesses, faculty and families who donated items to the PHS Annual Dinner-Auction Event. The thank you cards were well written and much appreciated! Thank you to all of the students that helped us!

A committee is only as good as its volunteers! We had two great volunteers and wish to extend a special thank you to **Lynn Deger** and **Nancy Kontney** for all of their time and energy to call, email and collect donations from businesses and faculty.

The Booster Dinner Auction would never happen without the generosity of many, many people.

The following is the list of the generous PHS faculty, families, individuals and businesses that supported our Dinner Auction and fund raising events throughout the year. They all deserve a very special thank you!

As you see these people or shop at their establishments, give them a smile and tell them "thanks" to let them know we appreciate them for supporting our students at Palatine High School.

We can **always** use more help! If you would like to help collect the donations for the Annual Dinner Auction, please email us at BAberly@aol.com or call 847-401-1666.

Music Notes.....

Band is busily preparing for their last concert of the year, which is Ms. Horns last concert at PHS, on May 8th at 7:30 pm. They are also preparing for their upcoming trip to Indianapolis which takes place the end of May. Jazz Band is performing in the Variety Show as well as having their own performance on May 30th. District 211 Honors Band, which members of PHS band participate in, has a concert on May 18.

Choir had an incredible trip to Hawaii! They performed in many different venues among which were Pearl Harbor and the Iolani Palace. At the Palace they presented a song as a gift before going on a tour of the palace. They too are preparing for their final concert of this year, which is on May 17. Please note that the concert previously scheduled for the 16th of May has been cancelled. Members of the choir also participated in the District 211 Honors Choir on April 6.

Orchestra is also busily preparing for their concert on May 14.

All groups are just finishing up their last fund raiser with a plant sale! Thank you for all of your support for our students this year as you have participated in their fund raisers!

As I look ahead to next year, I see many needs for helpers! We need another Orchestra Rep to work with Paula Perone. We also are in need of another choir rep and some parents of younger students to work with our band reps, Chris Smith, Laurie Lantz, and Susan Stamatkin, whose students will all be seniors next year! We also are in need of someone to step up and shadow my position so that they can take over the following year. There are so many ways to get involved and help keep our music department strong! Please consider how you could be involved!

Nancy Erstad (Music)
