- Reflections
 - Working hard to bring in new volunteers. Want to make sure that we are having positive interactions amongst the boosters, faculty, students, and community. Would like to bring more diversity to the boosters. May try to send more communications in Spanish. Welcome ideas to make this happen and get more people involved. The school has resources to translate communications. Will check with Cindy Rogers to determine the best method to send text that needs to be translated.
- Incoming Freshman Night- 12/8
 - Good night to promote boosters to incoming freshman families. 6:30-8:30 We will have a membership table and the school store will be open. We will need volunteers for both.
- December Booster Meeting/Holiday Gathering
 - Have the option to use the Media Center for the meeting and gathering. There will be a short meeting followed by a social time. There is lots of space so we can spread out. December 14th @ 7:00
